Mission & Vision

03

- **Mission:** Our mission at Lead Planner Management Services is to be the leading provider of management services for healthcare facilities and professionals in the United Arab Emirates. We strive to work closely with our clients, including government bodies, to provide effective and reliable healthcare services. Our goal is to help our clients identify and capitalize on new and emerging opportunities in the healthcare industry, while providing guidance and support to ensure successful implementation of changes. We are committed to developing processes that ensure fulfillment of international standards, while delivering cost-effective solutions that meet our clients' needs
- **Vision:** Our vision at Lead Planner Management Services is to be recognized as the premier provider of healthcare management services in the UAE, known for our commitment to excellence, professionalism, and innovation. We aim to build strong relationships with our clients, including healthcare facilities and professionals, as well as government bodies, to provide the best possible healthcare services. Our vision is to continue to develop and implement innovative solutions that meet the evolving needs of the healthcare industry, while maintaining the highest standards of quality and service delivery

Our Services

◆ BUSINESS STARTUP

- Our business startup services are designed to help you establish and grow your business in the UAE. We provide end-to-end support, from initial ideation to final launch, to help you bring your business vision to life. Our team of experienced professionals will work closely with you to develop a customized business plan, navigate the legal and regulatory requirements of starting a business in the UAE, and provide ongoing support to help you succeed
- In addition to our business startup services, we also offer expert consulting services to help you achieve your business goals. Whether you need assistance with market research, financial planning, or operational management, our team of consultants has the knowledge and expertise to help you succeed. We work closely with you to understand your unique needs and develop customized strategies to help you achieve success

◆ DOH/MOH/DHA Licensing

- Lead Planner Management Services is a team of healthcare management consultants who specialize in facilitating DOH/DHA/MOH medical facility licensing services to establish a new healthcare facility within the UAE. Our team not only focuses on obtaining health authorities' licenses but also provides expertise in facility planning, engineering planning, and recruitment of medical professionals, medical equipment purchasing, business model development, healthcare management, and digital marketing. We understand the complexities involved in establishing a healthcare facility and strive to ease the entire process for our clients

◆ FANR Licensing

- Our FANR licensing services are designed to help you obtain the necessary licenses and permits to operate in the UAE's nuclear and radiation industries. We provide end-to-end support, from initial application to final approval, to help you streamline the licensing process and ensure compliance with all relevant regulations. Our team of experienced professionals will work closely with you to understand your specific needs and develop a customized plan to help you achieve your licensing goals
- In addition to our licensing services, we also offer expert safety protection services to help you mitigate risks and protect your employees and assets. Our team of safety professionals has extensive experience in a variety of industries and can help you develop and implement customized safety plans and programs to ensure compliance with all relevant regulations and standards

◆ TAX & ACCOUNTING SERVICES

07

- Our tax registration services are designed to help you register with the Federal Tax Authority (FTA) and obtain the necessary tax identification numbers to operate in the UAE. We provide end-to-end support, from initial application to final approval, to help you streamline the registration process and ensure compliance with all relevant regulations
- In addition, we also offer expert value-added tax (VAT) services to help you manage your VAT obligations effectively. Our team of experienced professionals will work closely with you to ensure that your business is compliant with all VAT regulations and that you are maximizing your VAT recovery
- We also provide comprehensive accounting services to help you manage your finances and make informed decisions. Our team of accounting professionals has extensive experience in a variety of industries and can help you with everything from bookkeeping and financial reporting to budgeting and forecasting

◆ STRATEGIC MANAGEMENT CONSULTANCY

08

- Our strategic management services are designed to help you develop a comprehensive strategy that aligns with your business goals and objectives. Our team of experienced professionals will work closely with you to understand your business, industry, and market, and develop a strategy that sets you apart from the competition
- We offer a wide range of services related to strategic management, including market research and analysis, competitive analysis, SWOT analysis, goal setting, strategy formulation, implementation, and monitoring. Our team will also help you identify potential risks and challenges and develop contingency plans to mitigate them

◆ MARKETING PLANNER

- Our team of marketing experts will work closely with you to develop a comprehensive marketing plan that aligns with your business objectives and target market. We will conduct in-depth market research and analysis to identify key trends and insights, and use this information to develop a customized marketing strategy that sets you apart from the competition
- Our marketing planning services include brand positioning, messaging, social media marketing, email marketing, digital advertising, content marketing, and more. We will also help you track and measure your marketing efforts to ensure that you are achieving your desired results

◆ WEBSITE DESIGN

09

- Our website design services are tailored to meet the unique needs of businesses and professionals in a variety of industries. Whether you need a simple, informative website or a complex e-commerce platform, our team of experienced designers and developers will work closely with you to bring your vision to life. We use the latest design techniques and technologies to create websites that are visually stunning, easy to use, and optimized for search engines
- In addition to website design, we also offer expert content creation services to help you engage your audience and communicate your message effectively. Our team of skilled writers can craft compelling, high-quality content for your website, blog, social media, and other digital channels. We specialize in creating content that is informative, engaging, and tailored to your unique brand and audience

Consultancy

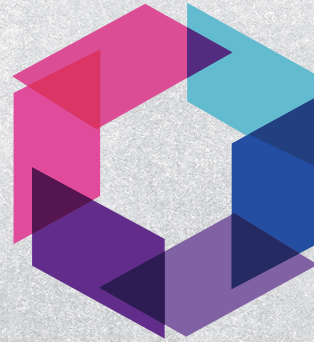

At Lead Planner Management Services, we are committed to helping healthcare facilities and professionals in the United Arab Emirates navigate the complex world of licensing and audit services. Our team of experts has years of experience and in-depth knowledge of the regulations and requirements related to licensing and audit processes

We offer a wide range of licensing and audit services, including the issuance of medical advertisement licenses, healthcare professional licenses, and FANR licenses. Our team will work closely with you to ensure that all requirements are met and that the licensing process is completed as smoothly and efficiently as possible

In addition to licensing services, we also offer pre-audit services for Tasneef, JAWDA, OSHAD, and MALAFI. Our team will conduct a comprehensive audit of your facility or practice to identify any potential areas of improvement and ensure that you are meeting all regulatory requirements. We will provide you with a detailed report outlining our findings and recommendations for improvement

Our licensing and audit services are designed to help you maintain compliance and achieve your business goals. We understand that the licensing and audit process can be complex and time-consuming, which is why we are dedicated to providing exceptional services that meet your unique needs

At Lead Planner Management Services, we are committed to delivering exceptional licensing and audit services to healthcare facilities and professionals in the UAE. Contact us today to learn more about how we can help you meet your licensing and audit needs
